

Doctoral Seminar

“Topics in Time Series Econometrics”

Summer 2018

Description:

This seminar is intended to give participants exposure to state of the art research in time series econometrics and its applications in empirical finance and macroeconomics. The course provides doctoral students the opportunity to present their own, preliminary research in these areas.

Time and Location:

Please note that date and location are preliminary. We hope to be able confirm them by end of April.

Date: 12th - 13th June 2018.

Location: Haus Tornow am See

Registration:

To register for the seminar send an e-mail to simon.jurkatis@fu-berlin.de
Registration should take place by 15 April, but late-comer may be accepted.

Past programs can be found here.
