As pioneers and innovators in the field of Diversity Management & Marketing, we have developed ground-breaking Diversity strategies in the EMEA (Europe, Middle East, Africa) region for more than 14 years. As expert partners, we guide leading international companies through comprehensive Diversity programmes with our international knowledge, successful approaches and innovative tools.

We are currently offering dedicated and interested students a dynamic opportunity for a:

DIVERSITY INTERNSHIP

Research // Communication Management // Marketing & PR

In the course of the internship, you will be responsible for the implementation of a short study on Diversity in the current business context while assisting in the management of internal and external projects. Additional tasks include maintaining our knowledge and contact management system, researching relevant literature, helping in our Press and PR work, and supporting our networking activities. Depending on your qualifications and current developments, you may be given the opportunity to take part in client projects.

The position requires the following **qualifications**:

- Interest in Diversity, Inclusion, Equal Opportunities, Anti-Discrimination
- Knowledge in several of the following: Organisational Development, Personnel, Marketing, Communication, Social Psychology, Innovation, Public Management, Didactics, Labour Market, Knowledge Management und Training
- Critical thinking, a systematic working style and a high level of independence
- Strength in communication (written and/or spoken)
- Interest in Research and Knowledge Management
- Good English Knowledge
- At least fair knowledge of German (written and spoken)

This position is open to begin in March or April 2012 and will run for 3-5 months (full-time) or 4-6 months (part-time).
