

ASSISTANT (PHD STUDENT) EMPIRICAL FINANCIAL ACCOUNTING (M/F)

The University of Oldenburg has the following vacancy within its Faculty of Business Administration in the research group of Prof. Dr. Kerstin Lopatta

1 Assistant (PhD student) in Empirical Financial Accounting (M/F) pay grade E 13 TV-L

75% of the regular working time, upgrade to a full position (100%) possible. Starting at July 15, 2011, or later.

The assistant will be working with the supervisor and within the research group of Accounting and Finance.

Tasks

- The assistant's main task will consist in contributing to the research projects in the area of empirical financial accounting and preparing a doctoral thesis in this area.
- Attending the PhD program is mandatory.
- Assist the professor in her teaching activities and contribute to the teaching.

Profile

- Master's degree in Accounting/Finance/Econometrics with a specialization in financial accounting.
- Applications of candidates with a strong orientation in empirical research are very welcome.
- Have the linguistic skills to evolve in a multilingual environment: Fluency in English; an additional language would be of advantage.

Offer

- 75% contract; possibility to upgrade to 100%.
- Student AND employee status.
- Exciting international and research oriented environment.
- Thriving community.
- Personal work space at the University.

Applications should be submitted in English and must include a motivation letter, a detailed curriculum vitae, and diploma or master degree (including a transcript results of university studies).

The University of Oldenburg is dedicated to increasing the percentage of female employees in the field of science and encourages applications from female candidates.

Handicapped applicants will be given preference in case of equal qualifications.
