

Dear reader,

We are happy to inform you of the latest publications concerning research on path dependence phenomena, as well as of upcoming events and news from the path community. If you have an event that you would like us to announce (call for papers, publications, conferences, lectures, awards, etc.), please feel free to send us your content. Of course we remain at your disposal for any further information, criticism, or comments you may have. We hope to hear from you!

Jörg Sydow (chief-editor), Thomas Schmidt (issue editor), Sonja Muders, Sibel Siray, Malte Döhne (editorial team)

## Coming Events

Jörg Sydow, Amalya L. Oliver and Georg Schreyögg will organize the sub-theme *Self-reinforcing Processes in Organizations, Networks and Professions* at the 28th EGOS Colloquium scheduled to take place from 5th to 7th July 2012 in Helsinki, Finland. This sub-theme will foster exchange of theoretical ideas and empirical insights that might be conducive to further understanding self-reinforcing mechanisms that feature prominently in organizations and other kinds of organized collectivities. Deadline for short paper submissions: January 16, 2012 ([www.egos2012.net](http://www.egos2012.net)).

## New in Print

### Articles

Aurbacher, J / Lippert, C / Dabbert, S (2011): Imperfect markets for used machinery, asynchronous replacement times, and heterogeneity in cost as path-dependent barriers to cooperation between farmers. In: [Biosystems Engineering](#), 108 (2), 144-153.

Awortwi, N (2011): An unbreakable path? A comparative study of decentralization and local government development trajectories in Ghana and Uganda. In: [International Review of Administrative Sciences](#), 77 (2), 347-377.
