Each course is awarded 6 ECTS. With the courses *Research Methods in FACTS* and *Tax Effects*, there will be an exam. With the course *Performance Measurement and Incentives* and *Accounting and Economics*, attendance is compulsory and in addition, students need to write a thesis in English (8-10 pages, 4,000 words). The professor will offer a range of topics, please ask.

Foreign students might also attend the class *Derivate und ihre Bewertung* (Prof. Löffler, Tuesdays 10-12, room 106 and additionally Wednesdays, 10.-12, room 107), which is taught in German. Still, students are required to attend these classes and have the opportunity to write a thesis in English. The winter term starts on October 12, 2015.
