

Job Offer for a Student Research Assistant in Economics/Political Science (40 Hrs/Month)

SFB700 – Research Project D4: Sovereign Debt and Crisis Management in Areas of Limited
Statehood: Bargaining vs. Creditor Litigation

Project Director: Prof. Henrik Enderlein, Hertie School of Governance

Job Description:

You will be working in a research project on financial crises, focusing specifically on sovereign debt crisis resolution. Main tasks will include – but are not limited to – working with economic and financial data and primary sources, literature research, as well as supporting the compilation of research articles.

Required:

2 completed university terms.

Useful skills:

- Experience in data management and accessing relevant data bases (IMF, World Bank, UN,...) as well as knowledge of relevant software packages (Excel, Stata, ...)
- Fluency in English and (reading) knowledge of Spanish and Portuguese
- General interest in the field of international finance, political economy and financial markets
- Good or very good grades in economics or political economy classes at Diploma, Bachelor or Master level

Contract period:

Until 31 December 2013
