

Huge Success of the Research Group: AMR Decade Award for the Article by Sydow, Schreyögg & Koch

The scientific article 'Organizational Path Dependence: Opening the Black Box' by the Research Group of **J. Sydow, G. Schreyögg & J. Koch**, that was published in the prestigious academic journal the Academy of Management Review (AMR), received the AMR Decade Award. This means that the article is the most cited scientific article in AMR between 2009-2019. The award was accepted by J. Sydow in the annual meeting of the Academy of Management in Boston. It is the first time that a team of authors from Germany wins this award.
