16.11.2021	Jana Möller & Alexander Mafael, Stockholm School of Economics	To post or not to post – Understanding differences in online review posting behavior
23.11.2021	Jonas Krieger	A configurational view on contract violations: What we know and how to proceed
07.12.2021	Taeya Howell, BYU Marriott Business School	Hearsay, rumor, and speaking up about other employees' issues: Why lay theories about secondhand accounts in employee voice are wrong
04.01.2022	Mona Weiss	Feeling younger or older makes me bolder: Why and how subjective age bias influences employee voice behavior
18.01.2022	Sascha Raithel	When success foreshadows disappointment: Volatility of past firm performance and expected future return
25.01.2022	Carolin Auschra & Alice Rettig	Practices across different external corporate venturing modes to become more innovative: A qualitative meta-analysis
01.02.2022	Ian Greer, Cornell University	Why don't pay increases destroy jobs? Organizational adaptation to the living wage in Tompkins County, NY
15.02.2020	Dana Unger, University of Tromsø	An Integrative Review of Unemployment's Micro- and Macro-Level Effects on Children

Die Forschungswerkstatt wird auch in diesem Semester noch einmal virtuell stattfinden. Auch dazu sind Gäste herzlich willkommen! Senden Sie bitte eine Mail an lssydow@campus.fu-berlin.de, um die Einladungen und Zugangsdaten zu dem Webex-Raum zu erhalten. Vortrag und Diskussion vorzugsweise in englischer Sprache, um auch ausländischen Gästen die Teilnahme zu ermöglichen.
