

Dear reader,

We are happy to inform you of the latest research publications concerning path dependence phenomena, as well as upcoming events and news from the path community. If you would like us to announce an event (call for papers, publications, conferences, lectures, awards, etc.), please feel free to send us your content. Of course we remain at your disposal for any further information, criticism, or comments you may have.

We hope to hear from you!

Jörg Sydow and Thomas Schmidt

Upcoming Events

32st EGOS Colloquium - Subtheme "Organizational Working Time Regimes: Exploring Dynamics of Persistence and Change"

From 7th to 9th July 2016, the 32st EGOS Colloquium with the general theme [Organizing in the Shadow of Power](#) will be held in Naples, Italy. The colloquium for the European Group for Organizational Studies (EGOS) will be taking place at the University of Naples Federico II.

Georg Schreyögg, Freie Universität Berlin, Dan Kärreman, Copenhagen Business School, and Blagoy Blagoev, Freie Universität Berlin, will convene the [subtheme Organizational Working Time Regimes: Exploring Dynamics of Persistence and Change](#), which invites researchers from all over the world who study organizational working time regimes, their evolution, persistence, consequences for work-life balance, and approaches to changing them. Organizational path dependence will be of obvious importance to this topic. Deadline for short paper submissions: Monday, January 11, 2016, 23:59:59 CET.
