# Presentation

## Anja Brüggemann

*Coordinator for Accreditation, Curriculum, and Diversity*

- short presentation on diversity at the *School of Business & Economics*

## Excellence in Teaching and Learning

- Freie Universität Berlin recognizes **diversity** in the sense of multidimensional and interlocking differences between people along social categories and is committed to the **equal participation of all those involved in studies and teaching**
- the university advocates for **equal opportunities**, for the **reduction of intersectional inequalities**, and for **barrier-free and non-discriminatory teaching and learning environments**
- teaching, learning, and counseling are designed to be diversity-conscious and critical of discrimination, thus taking into account the **different starting points of all those involved**
- while diversity competence is both a learning objective in academic programs and a quality feature in teaching and university didactics, diversity aspects are taken into account at the **structural level, when entering university as well as in the curriculum**

## Organizing your studies (4)

- Compulsory courses (54 – 60 CP)
  - 5 compulsory FACTS classes in the first semester (most of them in English)
    - each with exam
    - first semester is very time-consuming
    - You may not work more than 10 hours / week in the 1<sup>st</sup> semester
  - 2 compulsory law classes in third semester
    - no exam for FACTS students, active participation is mandatory
  - You need to attend minimum 2, maximum 3 seminars (Hauptseminar), from 2<sup>nd</sup> semester on
- Electives (30 – 36 CP)
- Master thesis (30 CP)

# Organizing your studies (5)

- Example: study plan for the next four semesters

## Anlage 2: Exemplarischer Studienverlaufsplan

## Organizing your studies (6)

- Five compulsory FACTS classes (in presence, not online) in the first semester
  - Internationale Unternehmensberichterstattung (in German, Oct-Feb); *possibly first class online, check Blackboard on Sunday*
  - Performance Measurement and Incentives (in German, Oct-Feb), (in English for international students only, Oct-Dec)
  - Derivate und ihre Bewertung (in German, Oct-Feb)
  - Research Methods in FACTS (in English, Oct-Dec)
  - Steuerwirkungen (in German, Oct-Feb), Tax Effects (in English, for international students only, Oct-Dec)
- Two compulsory law classes without grading (in 3rd semester)
  - Gesellschaftsrecht (in German)
  - Allg. Steuerrecht or Bilanz- & Unternehm.steuerrecht (in German)
- Next opportunity to attend compulsory classes: in winter 2023/24

# Organizing your studies (7)

- Further advice
  - You need to attend  $\geq 2$  seminars, from the 2nd semester on
    - Seminars are sometimes a bit scarce...
    - Seminar in a certain field is usually required for master thesis
    - Plan so far:

	SoSe 2023	WS 2023/24	SoSe 2024
... Steuern (empirisches Vorbereitungsseminar Masterarbeit, Prof. Hundsdorfer)	14 Plätze	--	14 Plätze
... Steuern (Allg. Seminar Profs. Heintzen / Hundsdorfer)	6 Plätze	8 Plätze	6 Plätze
... Controlling Prof. Bigus / Prof. Grahn	12 oder 24 Plätze	12 Plätze	12 oder 24 Plätze
... Finanzierung Prof. Löffler	12 Plätze	--	12 Plätze
... Unternehmensrechnung & Wirtschaftsprüfung Prof. Ruhnke / Prof. N.N.	(12 Plätze)	--	24 Plätze

## Organizing your studies (8)

- Example for creating a „major“ in „Tax Accounting“
  - Steuerwirkungen
  - Internationale Steuerplanung
  - Tax Analytics und Umsatzsteuer
  - Hauptseminar Betriebswirtschaftliche Steuerlehre
  - Steuerplanung der Unternehmensnachfolge
  - Master thesis
- In total: 60 credit points!

Elective courses are not offered every year!

## Organizing your studies (9)

- You are free to try to recognize courses from Humboldt University, Technical University or University of Potsdam
  - Could be useful when there is a lack of courses in fields that you are interested in
  - Ask the professor in charge of the respective field how this is possible
    - But ask *before* attending this course
  - E.g., in Managerial Accounting you may recognize the following courses from Technical University Berlin
    - Wertorientiertes Controlling und Unternehmensbewertung
    - Sustainable Management and Control

## Organizing your studies (10)

- Certificate in FACTS-Digitalisierung
  - If you complete at least 3 out of the following 6 courses, you will earn a certificate which is possibly useful in practice:
    - *Systementwicklung\**
    - *Business Intelligence (Business Analytics and Data Science, Humboldt University, Prof. Lessmann)*
    - *Umsatzsteuer und Tax Analytics*
    - Programmieren für Wiwis
    - Stata-Grundlagen & Statistics for Big Data
    - R-Grundlagen & Data Visualization in R
  - Only the first three of them (in *Italics*) also count as electives for the FACTS-Master
  - See more detailed information on the FACTS-Master homepage, „Studieninhalte“

\* Can be replaced in year 22/23 by „Introduction to Programming“ (<https://www.fu-berlin.de/vv/de/iv/759986?query=programm&sm=727423>) or Informatik A (<https://www.fu-berlin.de/vv/de/iv/760438?query=informatik&sm=727423>) or Einführung in die Programmierung at TU Berlin (<https://moseskonto.tu-berlin.de/moses/modultransfersystem/bolognamodule/beschreibung/anzeigen.html?number=40017&version=8&sprache=1>)

## Organizing your studies (11)

- Courses without grading (18 – 30 CP)
  - At least 2 courses:
    - *Allgemeines Steuerrecht* or *Bilanz- und Unternehmenssteuerrecht* (no exam, but **active participation** required)
    - *Gesellschaftsrecht* (no exam, but **active participation** required)
    - option: one course in economics (exam, only pass or fail)
      - You need to apply for this course in advance (when selecting the course, form available from Prüfungsamt), no subsequent switching
  - Student can request for additional non-graded courses when finishing studies
    - **one course** if he/she finishes studies within **five semesters**,
    - **two courses** if he/she finishes studies within **four semesters**

## Organizing your studies (12)

- Corona rules
  - Most classes will be offered in presence
  - Strongly advised (but not mandatory yet): wear a FFP 2 mask

# Organizing your studies (16)

- **ToDo's**
  - You check whether you have the knowledge to meet the course requirements!
    - FACTS-brochure / module descriptions (study and examination regulation)
    - Syllabus of courses
    - Ask your lecturer/professor or senior students!
    - You need to catch up if there is a knowledge gap!

# Organizing your studies (17)

- **ToDo's**
  - When you have questions: ask Ksenia Dmitrienko ([ksenia.dmitrienko@fu-berlin.de](mailto:ksenia.dmitrienko@fu-berlin.de)) or me
    - or ask your mentoring students: Carmen Albaladejo Fuertes [ca4888fu@zedat.fu-berlin.de](mailto:ca4888fu@zedat.fu-berlin.de); Jessica Grez [jessig95@zedat.fu-berlin.de](mailto:jessig95@zedat.fu-berlin.de)
    - or the FACTS mentor: Carla Pöschel ([carla.poeschel@fu-berlin.de](mailto:carla.poeschel@fu-berlin.de))
  - Exchange students: ask Ksenia or me

## Organizing your studies (18)

- ToDo`s
  - Opportunity of studying a semester abroad
    - 3<sup>rd</sup> semester is most suitable
    - Please check in advance (2nd semester) with the professors which courses are eligible for being recognized at FU Berlin
    - With regard to „Gesellschaftsrecht“ and „Allg. Steuerrecht“:
      - do them in the first semester or
      - find similar courses abroad or
      - do similar courses at Humboldt or Potsdam University in the 2nd semester
  - Current partner universities:
    - e.g., St. Gallen, HEC Paris, Bocconi (Milano), VU Amsterdam, Peking University, Hebrew University, Singapore Management University

## Organizing your studies (19)

- ToDo`s
  - Opportunity of studying part-time (Teilzeitstudium)
    - You study 50% of the time on average
    - possibly useful if you need to work more than two days a week
    - You need to apply formally: see, also for more information:  
<https://www.fu-berlin.de/studium/studienorganisation/immatrikulation/rueckmeldung/teilzeit/index.html>
