Display of examination attempt counter

Counters for exams taken before 30.09.2015 are no longer displayed.

For exams taken on or after 01.10.2015, the new counter will be displayed.

Display of compulsory exam dates, notations, and exam attempt count

Open modules:

- 1. Display of compulsory exam date on module level as well as on detail level of the examination attempt.
- 2. The number of possible and actual exam attempts is displayed on both module level and exam attempt detail level. Red print indicates the last possible attempt.

3. The notations "cheating" ("Täuschungsversuch") or "failure to turn up" ("nicht erschienen") appear along with the grade 5.0 (fail). Notations for withdrawal ("Rücktritt") - withdrawal in due time ("fristgerecht") or justified withdrawal ("begründet") - are displayed in the grades column as well.

Completed modules:

Compulsory exam dates and exam attempt counters appear on detail level, but not on the module level.
